

## **International Conference Climate Change and Environmental Education: Challenges, Responses, Local Knowledge and Opportunities**

### **Guidelines for submissions**

Participation in the Congress can take place in two ways: either by presenting or attending without presenting, and both in person and online. Registration is compulsory for both presenters and attendees.

#### **Submission of communication proposals:**

Communications should be based on original work related to the subtopics described below.

#### **Key dates:**

- 20/11/2024: deadline for submission of communication proposals;
- 20/12/2024: notification to authors of the result of the evaluation of communication proposals;
- 20/02/2025: final delivery of the abstracts selected to be included in the conference proceedings.

Submitting authors must provide the following information: name(s); affiliation(s); and institutional e-mail address.

Abstracts must not exceed 2500 characters (including spaces, and 3 to 5 keywords). All validated and accepted abstracts will be published in an e-book.

Abstracts must specify the subtopics chosen (in the abstract or in the Conference e-mail) and be submitted to the following e-mail address: [congresso.alteracoes.climaticas@Lusofonacv.com](mailto:congresso.alteracoes.climaticas@Lusofonacv.com)
